

Modern Slavery and Human Trafficking Policy

Baskerville Reclamation Ltd is committed to driving out acts of modern-day slavery and human trafficking within its business. Baskerville Reclamation Ltd acknowledges responsibility to the Modern Slavery Act 2015 and if / where applicable will ensure transparency within the organisation and with suppliers of goods and services to the organisation.

As part of the companies' due diligence processes into slavery and human trafficking the supplier approval process will incorporate a review of the controls undertaken by the supplier. Imported goods from sources from outside the UK and EU are potentially more at risk for slavery/human trafficking issues. The level of management control required for these sources will be continually monitored.

Graham Chadwick, Managing Director of Baskerville Reclamation Ltd and senior management shall take responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training, etc) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains.

A copy of this policy and a copy of the Modern Slavery Act 2015 will be accessible to all employees electronically and can be obtained from the HR department upon request.

This policy statement will be reviewed annually.

This Policy takes into account, and supports, the policies, procedures and requirements documented in our Integrated Management System, compliant with the requirements of ISO 9001:2015, ISO. The implementation and operation of this management system underlines our commitment to this policy. Formal procedures concerning slavery and human trafficking have been established, including disciplinary procedures where they are breached. Additional procedures ensure that this policy is understood and communicated to all levels of Baskerville Reclamation Ltd, and that it is regularly reviewed by Graham Chadwick, Managing Director of Baskerville Reclamation Ltd and senior management to ensure its continuing suitability and relevance to the company activities.
